

PRODUCT REGISTRY FOR ACCEPTABLE INDOOR AIR QUALITY

**OFFICE FURNITURE
(SEATING)**

Air Quality Sciences, Inc. (AQS) has tested the product(s) below following the environmental chamber guidelines of ASTM D 5116, the U.S. Environmental Protection Agency's (USEPA) Environmental Technology Verification (ETV) protocol, and the State of Washington. The product(s) have been found to meet the low-emission requirements of the State of Washington and the USEPA's Headquarters specification and can be designated as an environmentally preferred product for the indoor environment.
